HOLLOWAY CASE.

The committee of the Holloway case acted without hesitatingly, and the charges made against Holloway were sustained. The committee of the special session of the State Executive Committee, which met at the office of the State Executive Committee, on Saturday, October 1, 1904, and passed a resolution asking W. M. Holloway to resign his position as a candidate for that position, and place on the ticket for that position J. Emmett Wolfe of Pensacola.

RESOLUTION.

Resolved by the Democratic State Committee of Alachua county, in the interest of the Democratic party of Florida, requested William M. Holloway to withdraw and decline the nomination to the office of State Superintendent of Public Instruction, and said request has been refused; and, Whereas, in the opinion of this committee, no Democrat is, under the existing conditions, in duty bound to vote for said Holloway; and the interest of the Democratic party and of the people of Florida make it necessary that the name of some person other than said Holloway shall appear on the official ballot to be voted by Democratic electors at the election November 8, 1904, now, therefore, be it

Resolved by the Florida Democratic State committee that—be and he is hereby requested to be the candidate of the Democratic party for the office of State Superintendent of Public Instruction at the election to be held November 8, 1904; and all Democratic electors are hereby requested by this committee to vote for the said—J. Emmett Wolfe of Pensacola as the Democratic candidate for said office at said election.

After much discussion the resolution was adopted by a vote of 21 for to 7 against.

The committee then proceeded with nominations for candidates for Superintendent of Public Instruction, and J. Emmett Wolfe of Pensacola was nominated.

GETS HIS MONEY BACK.

On motion of Col. Peck, the money which Mr. Holloway had donated to this campaign was ordered returned to him.

A committee of five was authorized to prepare an address to the public and to the Democratic press of the State asking that they substitute the name of Wolfe for that of Holloway on the ticket, which most of them are publishing.

## Court Will Convene To-day

The fall term of the circuit court for this county will be called at 11 o'clock this morning. His Honor Judge Willis will preside, and Hon. Benj. P. Calhoun will represent the State as prosecuting attorney. It is said this will be a short term, as few cases are now docketed.

The case in which the public is most interested is the Holloway case. W. M. Holloway is charged by W. N. Sheats with criminal libel by being responsible for interpolating the words "In the white school Auditorium," in a letter which Sheats wrote to S. W. DeRose and of circulating copies of said interpolated letter to his detriment in the recent campaign.

The Star hopes to see this matter thoroughly investigated, and as Mr. Holloway and his attorneys have said they would "show up" at the proper time, we presume they will do so at this session of the court.

This is a serious charge against Mr. Holloway, and doubtless his attorneys are going to contest every inch of ground while the attorneys for Mr. Sheats will do their best for their client.

The following is a list of the names drawn to serve as jurors at the October term of the circuit court in and for Alachua county:

M. J. Ward, J. M. Turner, C. S. Burnett, A. R. Kelley, R. L. Stringfellow, C. L. Flowers, L. C. Smith, E. P. Peagle, I. S. Patch, D. V. Chamberlain, A. J. Feaster, G. S. Chamberlain, R. E. Johnson, John Sherhouse, L. B. Long, J. R. Colson, Isaac T. Guinn, C. C. Roundtree, J. A. Johnson, S. D. Tillman, H. S. Rutledge, H. A. Blake, G. W. Blake, C. R. Sparkman, W. Jackson, T. B. Horn, H. L. Perryman, Fernando Sanchez, L. P. Tillman, B. T. Thomas.

## HON. NAPOLEON B. BROWARD To Speak To-night.

Democratic Candidate for Governor is  
Filling All Appointments.

The citizens of Gainesville and surrounding country will be pleased to know that the Democratic candidate for Governor of this State will speak to-night at 8 o'clock in the court house. It is presumed other speakers will accompany the candidate, and a rousing meeting is anticipated.

Our next Governor has many warm personal friends in this section of the State who will extend to him a cordial welcome.

## Council Meeting.

The monthly meeting of the city council was held last night in the city building. There were present aldermen Broome, president, Clerk Dell; aldermen Taylor, Doig, Whitstock and Pedrick. The tax books were received from city assessor Bradford. Appropriations were made for the year.

An ordinance was passed prohibiting plumbers from making connections with water pipes without permission of Superintendent of Waterworks.

Edward O'Neal was duly elected Fire Chief to succeed A. J. McArthur, resigned. A fire box was ordered installed at the intersection of Franklin and Seminary streets, provided residents would pay one half cost. The Sanitary committee was instructed to use the extra fire horse to clean up the streets.

## Home Seekers Excursion to Florida.

The Atlantic Coast Line has announced cheap rates to Florida from the following points: Cincinnati, Louisville, Evansville, Henderson, Cairo, St. Louis, Chicago and Memphis. The first excursion will be run October 11, and the next on November 15, and the officials of this enterprising rail road are doing all in their power to bring large numbers of prospective settlers to Florida. Such efforts on the part of rail roads in other states have met with much success, and we feel confident the Coast Line will make a success of it.

It is the opinion of the Star that Gainesville and Alachua county should present their claims to these home-seekers. Other cities and counties will present theirs. Let's be up and doing.

For sale cheap for cash, or on easy terms, 5 acres of land with four-room house, out houses, etc., and 100x150 feet land with four-room house, out houses, good water, etc., all in East Gainesville on Alachua avenue. Address A. Winski, Gainesville, Fla. 45-5T

## County Commissioners Meet To-day.

The regular monthly meeting of our county fathers will be held to-day. The most important matter to come before the Commissioners will be receiving the books of our worthy assessor Willis W. Colson. These books will show a marked increase in the assessments over last year. The assessment against railroad property has been increased considerable and so has the assessment against the property of other corporations and citizens.

## Licenses Due.

City, State and County licenses were due October 1. Pay up promptly. T. B. Ellis is collector for the city of Gainesville and W. D. Dickinson for the State and county.
